**Re: Vehicle Identification Number; Model Year 2009 (Fifth Submission)**

Dear Mr. Kelly:

Nissan North America, Inc. on its behalf and on behalf of Nissan Motor Company, Ltd., of Tokyo, Japan ("Nissan"), transmits the enclosed vehicle identification number (VIN) information. The attached VIN coding charts provide all of the information necessary to decipher the characters contained in the VINs to be affixed to model year 2009 Nissan and Infiniti Passenger Car, Multipurpose Vehicle and Truck models.

Two changes from previously submitted VIN coding charts are as follows:

- Engine type information for the Nissan Versa has been added to the PC section.
- Information for a new model has been added to the PC section and has been submitted to Chief Counsel's office under a request for confidentiality.

The information contained in the attached replaces the previous 2009 model year VIN coding charts submitted to the agency in a letter dated July 25, 2008 (W-1417-Y). If you have any questions regarding the information contained herein, please contact me at (703) 456-2563.

Sincerely,

A handwritten signature in black ink, appearing to read "Makoto Yoshida".
