Re: Part 565 Update for Motorcycles (2007 Model Year VIN UPDATE)

Pursuant to the requirements of Part 565 we are updating the VIN encoding information of Suzuki motorcycle products imported into the USA and its territories. Attached is a copy of Suzuki's updated VIN encoding for model year 2007. The first section describes Suzuki encoding. The second section of the attachment describes VINs that are used for Suzuki street motorcycles. American Suzuki imports motorcycles that are manufactured in Japan and Spain.

All Suzuki off road motorcycle and ATV products share a 17-digit VIN patterned after the requirements in Part 565. For your convenience, we have included the WMIs and VIN model identifiers for all other 2007 Suzuki motorcycle (off-road motorcycles and competition motorcycles) and All-Terrain Vehicle (ATV) products that are marketed in the U.S. and Canada.

Please contact this office if you have any questions regarding Suzuki VINs,

Sincerely,

Jeffrey L. Link
Certification Manager
Government Relations Department
