David Coleman
Office of Vehicle Safety Compliance
National Highway Traffic Safety Administration
400 Seventh Street, S.W.
Washington, D.C. 20590

Dear Mr. Coleman:

Subject: Gross Vehicle Weight Ratings Reclassification for Certain 2005 Model Year F-350
Superduty Vehicles

In January and February of 2005 Ford Motor Company (Ford) produced 429 complete 2005 model year F-350 Superduty pick-up trucks with a Class 3 (10,001 – 14,000 pounds) gross vehicle weight rating (GVWR) for Servicemaster Consumer Services, headquartered in Memphis, Tennessee. Ford will be reclassifying the GVWR on these vehicles to Class H (9,001 – 10,000 pounds) to make them equivalent to subsequently produced vehicles with similar content, at the request of the fleet.

As directed in your July 8, 2005, e-mail to a member of my staff, Ford is providing the agency a list of the vehicle identification numbers for these 429 vehicles in the attached document.

If there are any questions regarding this VIN information, please contact me.

Sincerely,

R. A. Nevi
Assistant Director
Global Automotive Safety Compliance
