Re: Vehicle Identification Number; Model Year 2006 (Second Submission)

Dear Dr. Runge:

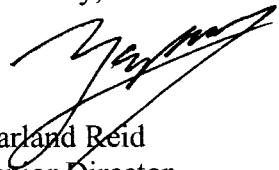

Nissan North America, Inc. on its behalf and on behalf of Nissan Motor Company, Ltd., of Tokyo, Japan ("Nissan"), transmits the enclosed vehicle identification number (VIN) information. The attached VIN coding charts provide all of the information necessary to decipher the characters contained in the VINs to be affixed to model year 2006 Nissan and Infiniti Passenger Car, Multipurpose Vehicle and Truck models.

The changes from previously submitted VIN coding charts are as follows:

- A new manufacturing plant identifier (Atsugi Plant) has been added to the PC and MPV sections.
- Information for the Nissan X-Trail FCV has been added to the MPV section.

The information contained in the attached replaces the previous 2006 model year VIN coding charts submitted to the agency in a letter dated January 25, 2005 (W-1166-A). If you have any questions regarding the information contained herein, please call Alex Cardinali, at (703) 456-2561.

Sincerely,

for 
Harland Reid
Senior Director
