Attention: VIN Coordinator

Dear Sir:

Pursuant to Part 565.5, reporting requirements of Vehicle Identification Number Content Requirements, we submit the information on our Vehicle Identification Number Coding System applicable to the late introduction of 1984 Toyota 4-Runner and Cargo Van models.

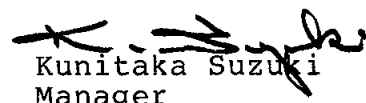

As supplement to our previous submission, "TOYOTA VEHICLE IDENTIFICATION NUMBER (VIN) CODING SYSTEM FOR 1984 MODELS" (dated May 1983), we enclose herewith the VIN information applicable to our late introduction 1984 models above. The pages which consist of this supplemental information should replace those comparable pages from our original submission in this regard.

In addition, we would like to inform you that the originally called Toyota Van Wagon has been renamed and the necessary modification to that effect is also made in the enclosed pages.

Thank you very much for your consideration and cooperation in this matter.

Sincerely,

TOYOTA MOTOR CORPORATION
