ZFF _ _ _ A 0 6 0 000001

(V.I.N. Always Begins and Finishes with a Star)

The diagram illustrates the structure of a 17-character VIN. It consists of a series of nested L-shaped lines that define the positions of the characters. The first character is at the top left, followed by a series of lines that define the positions of the remaining characters. The final character is at the bottom right, marked by a star.

Production Sequence Number

Plant of Manufacture (Maranello)

Model Year (6 = 2006) for which the vehicle is covered by a certificate of conformity and assigned pursuant to 40 CFR Par 565, Table VI.

Check Digit
