Attention: VIN Coordinator

Dear Ms. Nason:

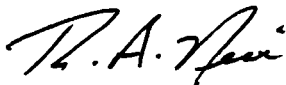

Subject: 2008 Model Year Vehicle Identification Number Codes – Revision #2

Reference: Ford Motor Company's December 13, 2006, letter concerning 2008 Model Year Vehicle Identification Number Codes – Revision #1

Pursuant to the requirements set forth in Part 565 of Title 49 of the Code of Federal Regulations, Vehicle Identification Number (VIN) Requirements, Ford Motor Company (Ford) is submitting 2008 model year VIN code information for the vehicles identified in the attached table of contents. VIN information for the new 2008 model year Ford Taurus and Mercury Sable has been added. The Ford Five Hundred and Mercury Montego vehicles have been removed because they are no longer available for the 2008 model year. In addition, codes have been added to VIN position four for vehicles over 8500 GVW to identify units produced without passenger side air bags, and certain F450 vehicle type descriptions have been revised. Ford is also including copies of all previously submitted 2008 model year VIN information not affected by this update. This package supersedes the December 13, 2006, submittal.

If there are any questions regarding this matter, please contact me.

Sincerely,

James P. Vondale
