Re: Part 565 - Vehicle Identification Number

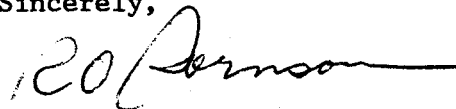

Dear Ms. Steed:

Enclosed are five (5) copies of the VIN code deciphering tables applicable to the 1987 model year vehicles that Chrysler Corporation plans to manufacture for sale in the U.S.

These tables replace the tables provided with our letter of January 29, 1986. This revision deletes Dodge Lancer and Chrysler Laser models which have been cancelled, adds Chrysler Daytona models for Canada, adds Dodge Dakota 4-wheel drive models, and clarifies series codes for several lines.

These tables are submitted in accordance with the requirements in Section 565.5 of Part 565.

Sincerely,

R. O. Sornson
