Dear Mr. Rutland,

In response to our telephone conversation of today, we are enclosing the requested breakdown of VIN numbers used on our Porsche models.

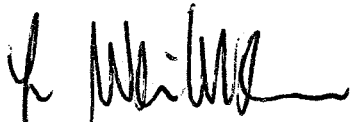

Please note that the 11th digit, manufacturing location, is used by Porsche as follows:

S - Stuttgart, used on all 911 and 928 models

N - Neckarsulm, used on all 944 and 924S models

We hope that this information will help you to decipher the VIN numbers.

Very truly yours,

Gerhard Waizmann
