Re: Part 565 Update for Motorcycles (Initial 2009 Model Year VINs)

Pursuant to the requirements of Part 565 we have attached is a copy of Suzuki's VIN encoding for model year 2009. The first section describes the encoding used by Suzuki. The second section of the attachments describes VINs that used for Suzuki street motorcycles. Suzuki imports motorcycles that are manufactured in Japan and Spain.

Also included for your convenience, are the VIN encoding for all other Suzuki motorcycle (off-road motorcycles and competition motorcycles) and All-Terrain Vehicle (ATV) products that are marketed in the U.S. and Canada for 2009 model year. All Suzuki brand off road motorcycle and ATV products share a 17-digit VIN patterned after the requirements in Part 565.

We trust this meets with your approval. Please contact this office if you have any questions regarding Suzuki VINs.

Sincerely,

Jeffrey L. Link
