Re: Part 565 - Vehicle Information Number

Dear Ms. Steed:

Enclosed are five (5) copies of the VIN code deciphering tables applicable to the 1985 model year vehicles that Chrysler Corporation plans to manufacture for sale in the U.S.

These tables replace the tables provided with our letter of May 15, 1984. This revision clarifies description of Plymouth Reliant and Dodge Aries wagon models and relocates line identification for the Dodge Bus model.

These tables are submitted in accordance with the requirements in Section 565.5 of Part 565.

Sincerely,

t. U. Sornson
