Re: MVSS 115 - Vehicle Identification Number

Dear Ms. Steed:

Enclosed are five (5) copies of the VIN code deciphering tables applicable to the 1984 model year vehicles, both domestic and import, that Chrysler Corporation plans to market in the U.S.

These tables replace the tables provided with our letter of November 30, 1983. This revision covers the addition of a heavy duty LPG engine.

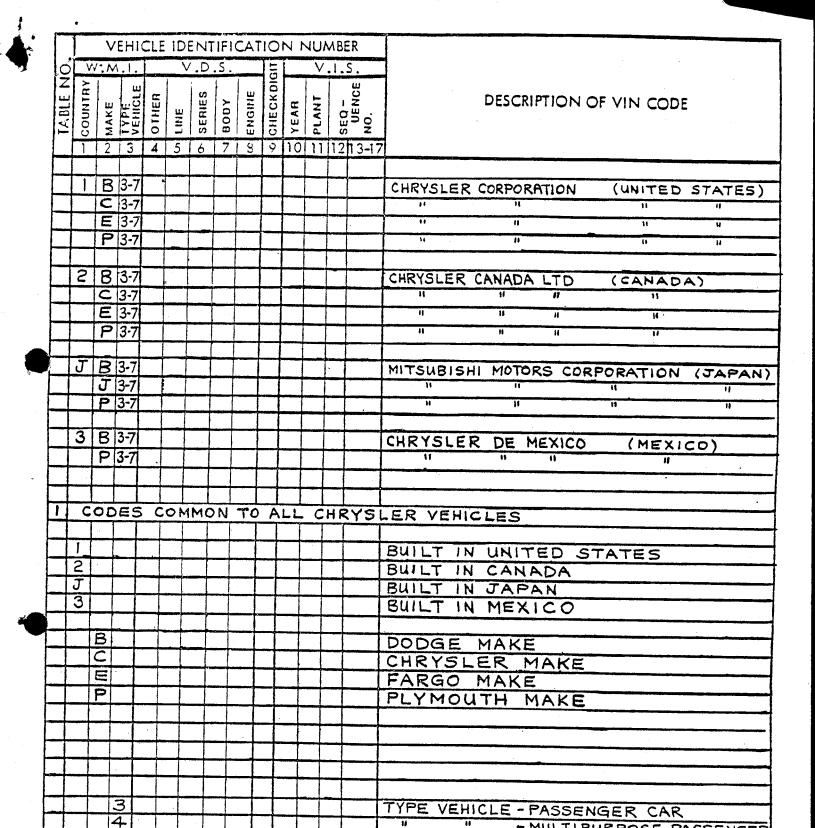

These tables are submitted in accordance with the requirements in Section 565.5 of Part 565.

Sincerely,

R. O. Sornson
